**Kennisgewing van verandering in afvalinsamelingsdag**

Geagte inwoner,

Die munisipale vasteafvalbestuursafdeling wil u graag in kennis stel van 'n verandering in u weeklikse afvalinsamelingsdag.

Vanaf 4 Julie 2022 sal alle inwoners in Kromberg & Commissioner straat verplig word om hul afvalsakke op Maandagoggende voor 08:00 in plaas van Dinsdae uit te sit. Hierdie verandering sal voorsiening maak vir 'n meer doeltreffende en doeltreffende afvalversamelingsroete.

Ons sal u samewerking in hierdie verband waardeer. Dankie.

Die uwe

Johan van Niekerk

**Solid Waste & Environment Manager**

Date: Wednesday, 8 June 2022

**Notification of change in waste collection day**

Dear Resident,

The municipal solid waste management department would like to notify you of a change in your weekly waste collection day for your streets.

As of the **4<sup>th</sup> of July 2022**, all residents located in Kromberg & Commissioner Street will be required to put their waste bags out on Monday mornings before 08:00 instead of Tuesdays. This change will allow for a more effective and efficient waste collection route.

We would appreciate your cooperation in this regard. Thank you.

Yours faithfully

Johan van Niekerk

**Solid Waste & Environment Manager**
