

# **SWELLEN DAM MUNICIPALITY**

## **RISK MANAGEMENT ANNUAL IMPLEMENTATION PLAN: 2021/2022**

**APPROVED BY COUNCIL PER ITEM A83 ON 24 JUNE 2021**

## **1. Purpose of the Implementation Plan**

The Risk Management Plan is a management tool that defines how the various risk management strategies, policies and procedures are to be implemented to address risk faced by the Municipality. It sets out how risk management activities will be performed, recorded and monitored throughout the year.

## **2. Monitoring, Controlling and Reporting**

The level of risk on a project will be tracked, monitored and reported throughout the risk implementation of the plan.

### Monitoring

The Fraud and Risk Management (FARMCO) has the overall responsibility to monitor the various components that made up the Risk Management Plan. Monitoring will include identification of any threats or opportunities that have the potential to impact the success of the plan.

### Controlling

Control over the implementation of the plan will reside with the Risk Management Department who will update the FARMCO during each FARMCO meeting.

### Reporting

Quarterly reports on the implementation of the Risk Management Plan will be submitted to the Accounting Officer and the Audit and Performance Audit Committee (APAC).
