

SWELLENDAM MUNICIPALITY

NOTICE

Notice is hereby given in terms of Section 116 (3) of the Local Government: Municipal Finance Management Act, (Act 56 of 2003) that Swellendam Municipality intends to amend its existing Agreement with Riversdal Electric and General Dealers CC for the Provision of Fault Finding on Low Voltage and High Voltage Cables & Repairs on High Voltage Cables, for the contract period ending 31 August 2027.

- During periods of breakdowns, maintenance or unavailability of municipal equipment, the existing contract does not provide for alternative access to such equipment.
- This limitation poses a risk to timely repairs and uninterrupted electrical service delivery.
- The appointed service provider, Riversdal Electric and General Dealers CC, has the necessary equipment available and can provide this support when required.
- The proposed amendment will therefore ensure operational continuity and reduce service disruptions.
- The estimated value of the amendment is R200 000,00 (including VAT).
- The current contract value is estimated at R906 922,75 (including VAT), with actual expenditure to date R324 137,57 (including VAT).
